

EC - Confirmation of Compliance

No.: E8N 13 08 3277 a

KACO NEW ENERGY GMBH
CARL-ZEISS-STRASSE 1
74172 NECKARSULM

GERMANY

with the authorized EC representative:

KACO new energy GmbH
Carl-Zeiss-Straße 1
74172 Neckarsulm
Germany

Item Identification: Electrical equipment for residential, commercial and industrial environments
Photovoltaic inverter

Model(s): Powador 20.0 TL3 INT

Item Description: 230 / 400 V, 50 / 60 Hz, rated output power 17000 VA;
two DC strings, max. input voltage 1000 Vdc

This equipment complies with the essential protection requirements of the Directive 2004/108/EC on electromagnetic compatibility based on a voluntary test.

This confirmation applies only to the particular samples of the product and its technical documentation provided for testing and certification. The detailed test results and all standards used as well as the operation mode are listed in

Test report no.: EMV 13 08 3277a together with EMV 13 08 3277

Test standards: German version EN 61000-6-2: 2006-03
German version EN 61000-6-3: 2011-09

This confirmation does not permit the use of a TÜV Hessen certification mark. It does not replace the declaration of conformity of the manufacturer or EC representative.

After preparation of the necessary technical documentation as well as the conformity declaration the required CE marking can be affixed on the product as stipulated in the Article 8 (1) of the Directive as shown below. Other relevant Council Directives have to be observed.
