This is to confirm that the units stated above are compliant with the protection requirements set forth in the Directive of the European Parliament and of the Council of 26 February 2014 on the harmonization of the laws of the Member States relating to electromagnetic compatibility (2014/30/EU) and the Low Voltage Directive (2014/35/EU).

The device is compliant with the following standards:

2014/35/EU	Safety of the device:
"Directive concerning electrical equipment designed for use within certain voltage limits"	EN 62109-1:2010 EN 62109-2:2011
2014/30/EU	Interference immunity:
"Directive concerning electromagnetic compatibility"	EN 61000-6-2:2005
	Emitted interference:
	EN 61000-6-4:2007+A1:2011

The types mentioned above are therefore labelled with the **CE marking**.

Any unauthorized modifications to the supplied units and/or any use of the units that is contrary to their proper use shall render this Declaration of Conformity null and void.
