- **This special promotion is valid from June 17, 2025, to July 31, 2025.** The offer is based on the standard price and applies with a minimum purchase of one pallet or three blueplanet 100 NX3/125 NX3 units.

- **Interested in a storage system? No problem!**

Expanding or setting up a new storage system with the blueplanet gridsave 92.0 TL3-137 TL3-S battery inverter is of course possible. However, this product is not included in the special promotion.

- For more information on battery compatibility, see www.meteocontrol.de.

We turn *passion* into **power**.
