| KACO blueplanet 5.0TL3   |                          | KACO blueplanet 60.0 TL3 | KACO blueplanet 110 TL3  | KACO blueplanet 155 TL3      |
| KACO blueplanet 6.5 TL3  |                          |                          | KACO blueplanet 125 TL3  | KACO blueplanet 165 TL3      |
| KACO blueplanet 7.5 TL3  |                          |                          | KACO blueplanet 137 TL3  |                              |
| KACO blueplanet 8.6 TL3  |                          |                          | KACO blueplanet 150 TL3  |                              |
| KACO blueplanet 9.0 TL3  |                          |                          |                          |                              |
| KACO blueplanet 10.0 TL3 |                          |                          |                          |                              |

are operationally compliant with the following TS4 products from Tigo:

- |                |                |                |                |                 |
|----------------|----------------|----------------|----------------|-----------------|
| <b>TS4-A-S</b> | <b>TS4-A-O</b> | <b>TS4-A-F</b> | <b>TS4-A-M</b> | <b>TS4-A-2F</b> |
|----------------|----------------|----------------|----------------|-----------------|

Tigo has conducted testing and validated the effective performance of the systems together within standard testing environments. Warranties from KACO and Tigo will remain valid if the design, installation, and operation requirements are followed for each product.
